

NKC PARTNER PANTRIES

For those persons and families who require help above and beyond what we are able to provide.

Call our Pantry Referral Line at (616) 866-3478 and press 5.

Leave a message with your name, pantry you wish to visit, and date you would like to go. Wait for a call back and confirmation from a North Kent Connect staff member.

ALL referrals MUST be made 24 hours in advance.

(To visit a pantry on a Monday, please call the prior Thursday and leave us a message.)

It is IMPORTANT that when you are referred, you are able to keep the appointment.

Please be considerate of the other families who may be waiting for an opening; call us ASAP if you cannot make your appointment time.
