North Kent Connect Whistleblower Protection Policy

North Kent Connect requires directors, officers and employees to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. As employees and representatives of North Kent Connect, we must practice honesty and integrity in fulfilling our responsibilities and comply with all applicable laws and regulations.

Reporting Responsibility

This Whistleblower Policy is intended to encourage and enable employees and others to raise serious concerns internally so that North Kent Connect can address and correct inappropriate conduct and actions. It is the responsibility of all board members, officers, employees, and volunteers to report concerns about violations of North Kent Connect's code of ethics or suspected violations of law or regulations that govern North Kent Connect's operations.

No Retaliation

It is contrary to the values of North Kent Connect for anyone to retaliate against any board member, officer, employee or volunteer who in good faith reports an ethics violation, or a suspected violation of law, such as a complaint of discrimination, or suspected fraud, or suspected violation of any regulation governing the operations of North Kent Connect. An employee who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of employment.

Reporting Procedure

North Kent Connect has an open door policy and suggests that employees share their questions, concerns, suggestions or complaints with their manager. If you are not comfortable speaking with your manager or you are not satisfied with your manager's response, you are encouraged to speak with any member of the Leadership Team. Managers are required to report complaints or concerns about suspected ethical and legal violations in writing to the North Kent Connect's Compliance Officer, who has the responsibility to investigate all reported complaints. Employees with concerns or complaints may also submit their concerns in writing directly to their manager or the Executive Director or the organization's Compliance Officer.

Compliance Officer

North Kent Connect's Compliance Officer is responsible for ensuring that all complaints about unethical or illegal conduct are investigated and resolved. The Compliance Officer will advise the Executive Director and/or the Board of Directors of all complaints and their resolution and will report at least annually to the Chairperson of the Finance Committee on compliance activity relating to accounting or alleged financial improprieties.
