

Make a Lasting Difference with a Donor Advised Fund

A Donor Advised Fund (DAF) is a simple and flexible giving tool that allows you to support the causes you care about, like North Kent Connect, while also enjoying immediate tax benefits. When you direct a DAF grant to North Kent Connect, you're putting food on tables, keeping lights on, and helping families move from crisis toward stability. Every gift fuels real, local change, right here in northern Kent County.

How a DAF works:

- Contribute cash, stocks, mutual funds, real estate, or even business interests to your DAF.
- Your contribution is eligible for a charitable tax deduction in the year you give, and appreciated assets often avoid capital gains tax.
- The assets are managed by your DAF's sponsoring organization and can be invested to grow tax-free.
- At any time, today or years from now, you can recommend grants from your DAF to North Kent Connect or other qualified 501(c)(3) charities.

How to give through your DAF:

1. Search for Rockford Community Service Center, dba North Kent Connect on your DAF's website.
2. Confirm our tax ID: 38-2066893.
3. Follow your provider's instructions—you can set up a one-time or recurring grant and even choose to support our most urgent needs, food programs, or critical services.

Whether you share your name or choose to remain anonymous, please know that we are deeply grateful for your partnership in helping neighbors thrive.
